Helping Improve People's Lives, One Day at a Time.

We take pride in knowing we can help you make a difference in people's lives. Every day, hundreds of Novella professionals are working on breakthrough cancer products, new treatments for debilitating neurological diseases and refined medical devices that can enhance our quality of life. Being a part of your mission makes every day rewarding.

Unique Outsourcing Solutions.

In a highly competitive market, with increased regulations, tighter budgets and reduced head count, your outsourcing strategy can make or break your development plans. As clinical research veterans ourselves, we understand your daily challenges. Neither a staffing agency nor a CRO, Novella Clinical Resourcing delivers a customized, high quality clinical resourcing solution that's specific to your program and kind on your budget.

Whether you are seeking one or two CRAs, a customized monitoring team to serve as your field ambassadors or a functional outsourcing solution – we're your partner.

Experience is Everything.

From cancer to diabetes, HIV to Parkinson's, we bring the right expertise, at the right time, in targeted geographic locations to resource your clinical trials. And, because our professional network averages eight years of industry experience, we bring greater efficiencies, therapeutic experience and research know-how immediately to your programs – helping to move your product forward and into the hands of people who need it. That's a breath of fresh air, especially when compared to traditional outsourcing models.

Global Reach.

With a deep and continually evolving network, Novella Clinical Resourcing is perfectly positioned to deliver the quality and quantity of professional talent needed to support your development programs. With more than 1,800 clinical research professionals in North America, 700 in 15 European countries as well as access to areas such as Vietnam, Thailand and Israel, Novella Clinical Resourcing offers unique outsourcing solutions – globally.
